

Sculpture Garden Volunteer Role Description

Becoming a Gardening Volunteer at Dulwich Picture Gallery is a fantastic opportunity to connect with nature, develop valuable skills, and form new friendships. Our dedicated Garden Volunteers will play an essential role in caring for our beautiful 3 acres of grounds, including the newly opened Sculpture Garden, ensuring it remains a welcoming haven for all visitors.

Join us and be part of a passionate, supportive team that is making a meaningful impact in our community! Together, we can create a beautiful space that inspires and delights everyone who visits.

Everyone is welcome!

We are an organisation that values inclusivity and is deeply rooted in a diverse community.

Our goal is to make our spaces and volunteering opportunities as welcoming as possible. We strive to create safe volunteering sessions designed to accommodate all levels of fitness and various needs. Weekly tasks may include digging, planting, watering, litter picking, or seed sprinkling. We also will need help with some light cleaning of our sculptures in the gardens so we can ensure that they always look their best.

What you get as a Garden Volunteer...

- Training and support from a friendly staff and volunteer team
- A beautiful and inspiring place to volunteer, helping transform our Gallery gardens for all to enjoy.
- A chance to learn new skills and information
- An opportunity to meet new people and contribute to our community
- Travel expenses to a daily cap
- Tea or coffee on volunteering days
- Free and discounted access to Dulwich Picture Gallery and events

Please get in touch with us!

If you're interested, please fill out a Volunteer Registration Form using this link or scanning the QR code below.

If you have questions or need support to apply, please email us at volunteering@dulwichpicturegallery.org.uk or we can arrange a call to answer any questions – we're happy to help.
