

Farmers' Market Volunteer Role Description

Currently taking place in our Gallery Gardens every Sunday, our new produce-led market will offer shoppers the opportunity to buy organic produce, food and refreshments and craft products next to sculptures by acclaimed artists like Yinka Shonibare CBE RA and Rob and Nick Carter.

Becoming a Volunteer at Dulwich Picture Gallery is a fantastic opportunity to connect with our community, develop valuable skills, and form new friendships. Our dedicated Farmers Market Volunteers will play an essential role in stewarding the Gallery Gardens, helping the traders on/off our site, welcoming our visitors, gathering essential feedback, and encouraging them to visit the inside of our beautiful Gallery.

Join us and be part of a passionate, supportive team that is making a meaningful impact in our community! Together, we can create a beautiful space that inspires and delights everyone who visits.

Everyone is welcome!

We are an organisation that values inclusivity and is deeply rooted in a diverse community. Our goal is to make our spaces and volunteering opportunities as welcoming as possible. We strive to create safe volunteering sessions designed to accommodate all levels of fitness and various needs.

What you get as a Farmers Market Volunteer...
